Short Bio

Radium Moon is a Montreal based alt-rock power trio. Founded in 2019, the group is co-fronted by Sandrine Chouinard on vocals and bass and Brandon Muir on vocals and guitar. They are backed by the heart stopping rhythm and kick of drummer Raphael Poletti.

Radium Moon breaks genre defining barriers and has a sound that leaves satisfied any and every rock fan. Their first self title EP is available on all platforms and the band released a new single on November 23rd 2020.

Heading back in the studio this March, get ready for more and more of Radium Moon!
